

# I Do

Rotimi

I been on my knees and I been praying loud  
Palms getting sweaty, my nerves feeling heavy  
Holding back these tears as I see your face  
I'ma lucky ma (Ha), wondering how did I get ya?

We made it this far and now we're standing hand and hand, yeah, yeah  
No doubts in my heart that I found the one that's Heaven sent

And today is your day  
You look beautiful in that dress, baby, yeah  
I fell for an angel  
Only two words for me to say  
I'ma say it to your face  
I do, ooh-ooh, ooh-ooh  
I do, I'ma say it to your face  
I do, ooh-ooh, ooh-ooh  
I do, I'ma say it to your face

Walking back down the aisle here, wondering where did time go?  
Where'd it go?  
We took the thought of a house and a white picket fence  
And made it a home, this is your home, baby

We made it this far and now we're standing hand and hand  
No doubts in my heart that I found the one that's Heaven sent

And today is your day  
You look beautiful in that dress, baby  
I fell for an angel  
Only two words for me to say  
I'ma say it to your face  
I do, ooh-ooh, ooh-ooh  
I do, I'ma say it to your face  
I do, ooh-ooh, ooh-ooh  
I do, I'ma say it to your face

Daddy gon' be proud of ya, sister gon' be happy for ya  
All your girls been telling you, they knew that we was made for each other  
Mama gon' be crying for ya, granny gon' be praying for ya  
Want it to be perfect for you

'Cause today is your day  
You look beautiful in that dress, baby, yeah  
I fell for an angel  
Only two words for me to say  
I'ma say it to your face  
I do, ooh-ooh, ooh-ooh  
I do, I'ma say it to your face  
I do, ooh-ooh, ooh-ooh  
I do, I'ma say it to your face  
I do
