

# I Know You

Rotimi

Kissin' on your neck (neck)  
Hands between your thighs  
Body warm enough ('ough)  
Think I'll take a dive  
It's that kind of love (love)  
That keeps you coming back for more

Because you say he ain't doin' you right  
And you tired of always fakin'  
'Cause you ain't never satisfied (ooh oohoo)  
So let me give you this longered night  
Cause...

He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you (I know you girl)

Does he know your favorite spot?  
Does he know what makes you hot?  
Does he know the type of freak that you are?

He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you

Bet he don't do it like me (bet it)  
Bet he don't freak you like me (bet it)  
Bet he don't rock your boat (boat)  
Switch it up [?] the middle  
Bet you don't say his name (name)  
Bet he don't make you rain like I do (like I do ooh)

Because you say he ain't doin' you right  
And you tired of always fakin'  
'Cause you ain't never satisfied (ooh oohoo)  
So let me give you this longered night  
Cause...

He don't know you like I know you  
He don't know you like I know you (oohoo)  
He don't know you like I know you (yeah)  
I know you, I know you  
(He don't know)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you (I know you girl)

Does he know your favorite spot?  
Does he know what makes you hot?  
Does he know the type of freak that you are?

He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you

Just say what you're missin' baby (aah haa)  
Give you what you're missin' baby (aah haa)

He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you  
(No he don't!)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you (I I I know you girl)

Does he know your favorite spot?  
Does he know what makes you hot?  
Does he know the type of freak that you are?

He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
He don't know you like I know you (yeah)  
I know you, I know you

I know what you like  
I know how to do it right  
It's why you hit me everytime  
That you need it in your life  
I know what you gonna say  
Cause I did know what you mean  
And no matter what he think  
I bet I bet I bet I bet he don't know you like me  
Yo I I I bet he don't know you like me yo  
I bet he don't know you like me  
He don't know you like me
