Potential

Rotimi

Baby I'm trying
Try harder
What you want me to do like...
The life is just, you know I don't know like...
You know I love you right
Your just all over the place

You got me here confessing
I know I ain't been the best and sometimes
I even fuck with your best friend, ah ah
I know I'm all twisted up
Still learning how to stay in love
Always there when I fuck up, ah
Baby, I know you do, you do every thing you can to hold me down, ah yeah

And you know I know baby, you the baddest chick around, ah yeah
But you still mess with a nigga cuz you know I got potential, oh yea
Even though I don't show it sometimes, ah yea
You know I got potential, ah yea
Even though I don't show it sometimes

Baby, we can work in little more time
I know we can work in a little more time
Know we can work in a little more time

Cuz you know I got potential
Just give me a little more time
Yeah, yeah, yeah, yeah

Why don't you stay when you know I be wild'n out
When I'm out of town and shit, ah yeah
But being on the road sometimes fuck with my judgment
But you don't let us go, yeah, oh

Hold me down regardless of the things I do, aah
Never let another nigga close to you, aah
Hold it down like you know you suppose to, aah
When I get back, I'm a put it down like I'm pose to, pose to

And you know I know baby, you the baddest chick around, ah yeah
But you still mess with a nigga cuz you know I got potential, oh yea
Even though I don't show it sometimes, ah yea
You know I got potential, ah yea
Even though I don't show it sometimes
No, I don't show it, don't show it sometimes

Baby, we can work in little more time
I know we can work in a little more time
Know we can work in a little more time

Cuz you know I got potential
Just give me a little more time
No, I don't show it, don't show it sometimes

I promise I will make it right, make it right, make it right
So baby, just sit by my side, by my side, by my side
I promise I will make it right, make it right, make it right

So baby, just sit by my side, by my side, by my side
No, I don't show it, don't show it sometimes
