It's more than just my needs
Too much work no sleep
It's so much more to life

Don't wanna be alone
Buy my mom a home
It's so much more to life
It's so much more to life

Baby we can do it all over
Do it all over, over again
With you I'll do it all over
Do it all over, over again

So pack your bags baby, yes baby
Cuz when it's good we can travel round the world
So come with me baby, my beautiful lady
Cuz when it's love we can take over the world

Oh oh oh oh oh oh
Le le le le le (Oh oh oh)

Le le le le le (Oh oh oh)
Le le le le le
Oh oh oh oh oh oh
Le le le le le (Oh oh oh)
Le le le le le (Oh oh oh)
Le le le

You got me wishing on a star
Now I'm dreaming bout tomorrow
Dreaming bout tomorrow
