

## Weapon (Interlude)

Rotimi

Oh

Why you had to go and take me down this road?  
Got me feeling things I've never felt before  
Yeah, you showed me something different  
Girl, you know your sex a weapon  
Why you had to go and take me down this road?  
Unbelievable, you the cheat code  
Yeah, you showed me something different  
Girl, you know your sex a weapon  
Why you had to go and take me down this road?
