

Behind our backs

Rotten Sound

Surgical procedure
Giving the cure

Manipulating
Isolating
Destroying
Abandoning

The poor, the handicapped
The different, the original

Are manipulated,
Isolated,
Destroyed,
And abandoned

The knife unsharpens itself
Sawing the veins of its own
Society for everyone of us?
We on the behalf of the society?

No!

Survive, Win!
With dirty tricks

Manipulate!
Isolate!
Destroy!
Abandon!
