Missing Link

Rotten Sound

An integral sense comes
With belonging to a scene
Supposedly absent of barriers
(When sexism is only one of many).

Earnest words
Calling for unity of the sexes
When she's still the chick, or stupid bitch
(Ridiculed for showing an interest).

Hidden indifference strikes an emotion reaction
When you see an animal being abused.
Yet unnoticed when a woman is abused in the same way.

The links of oppression stem from the same degradation
But to one, our eyes remain closed.

Actively abusing the rights of one whilst fighting for
those of another.

The "scene" may hold a different name,
But the roleplay's just the same.
Equal rights are fine,
As long as she's in her place.

Outrightly denouncing fascism,
Whilst oblivious to it taking place,
Is condemnation of standards,
All an act to save face.

Unity, a stark ambition
When our abuse
Surpasses recognition.
