

## Decline's Return

Rotting Christ

Butchered carcasses in stinking putrefaction  
Massacred by a deadly sickened lust  
To satisfy the hunger of this provisional delight  
And wander within the forbidden reality

Seeking temporary salvation  
A morbid exaltation  
Brain deranged by isolation  
Decline's return

Detesting the mortal life  
Enslavement of sordid flesh  
Evoke a one sided satisfaction  
Enter the reek of putrefaction
