

Non Serviam

Rotting Christ

Emotion - Buring wooden icons
Menial man - In the candles shadow
Notorious King - Unblessed & Isolated
Open his wings
Lord himself
Enter to abyss
Non Serviam
Subterranean Ambitions
The undersinged
Never submit
Like flame he escaped
Underestimate the mankind
Unleashed he rule
Shifty bites the heel
Make red-hot under earth
With the face of angel
In flirt with sin
His voice in eternity
Non Serviam
Immortals Sum
Anni non vexaverunt me
Mille suboles certat contra a tyrannidem
Nus fons ad erevum est
Numquam Recessi
Per te natus sum et tu per me
