They went up and down and here and there

Mouse the louse & Buddha the bear

And all they wanted was a dream - a reason why

A new beginning

3, 4 - better lock your door - there ain't no flag in the World worth dying
for

A new beginning

5, 6 - we'll fix it n the mix - no regrets but a bag of Tricks

A new beginning

7, 8 - time won't wait -it's never - too - late for a for New beginning

Were on the way to the stars in a space rocking chair

But somehow time fades like the wind in your hair

Like Mouse-louse and Buddha the bear

Another lonesome melody

The time is right for a brandnew beginning

And all they wanted was a dream...
