Route 94

You give me fever at night
You give me everything I like
You give me fever at night
You give me everything I like

Bad boys ain't no fun
Maybe they are, maybe you are
Bad boys ain't no fun
Maybe you are, maybe you are

You give me fever at night
You give me everything I like

(Oh, you got me good...)

Hey, hey, you, you got me
Oh, you got me good

You give me fever at night
You give me everything I like
Oh, you give me fever at night
You give me everything I like

You bad boy!

Bad boys ain't no fun
Maybe they are, maybe you are
Bad boys ain't no fun
Maybe you are, maybe you are

You give me fever at night
You give me everything I like
You give me fever at night
You give me everything I like

Hey, hey, you, you got me
Oh, you got me good
Oh, you got me good
Got me good

Hey, hey, you, you got me
Oh, you got me good
