

Look, I ain't ever have a problem with niggas, man them boys had a problem with me
I ain't ever have to worry bout niggas, man them boys had to worry bout me
Don't give a fuck about parole I'm uppinn' this pole if they think about shmurdering me
Now every chance I get I curve them bitches, them bitches was curving me

Aye free 23
He was in this shit too deep
Keep up out that mud no cleats
Nigga watch your mouth, don't speak
Aye dub don't drop yo T
Dub go poppin' P
Politickin' like you a player
That ain't pushin' P

Girl that ain't Pucci on your coochie you ain't foolin' me
You ain't cash out on your own your man bought you that jewelry
Aye them boys obsolete
So don't go coppin' pleas
Aye they gon play with them little niggas but they ain't gon play with me
Boy what you think
Hit some shit we gotta sink, hit some block we knocked it off
I know why them shots just ringed but I don't know who shot your dawg
Niggas on the internet be talking like they droppin' shit
They be like woe why you talk like that, bitch I'm confident
Plus I know which block to hit, plus I know which glock to pick
I know if I'm uppinn' on this one nigga than I better not miss
Pop a perc then plan a hit, that's when that panic hit
Early morning while they mourning, spin and hit they candle lit
He outside without his pole, he bold he out here canceling
My man, I don't even come outside 'cause we gon' [?]

Look, I ain't ever have a problem with niggas, man them boys had a problem with me
I ain't ever have to worry bout niggas, man them boys had to worry bout me
Don't give a fuck about parole I'm uppinn' this pole if they think about shmurdering me
