

Ayo thottie dread 9 G kill  
It's time to get in the field  
I'm tryna send niggas to hell  
Free smalls up out of the jail  
Send a cash app or a zelle  
I'm tryna get Greno and A ro and rasha appeals  
So nigga I need new mills  
New bills on a table, fuck a new label, I'm in this bitch moving indie  
Two glocks when we walk in the spot everybody on hot so tell em they sent me  
If he in this bitch with muwop he better leave out this bitch moving gently  
Oh you think you bug for real, till niggas get shot in they bentley

Lit now we ain't bending, niggas ascending, niggas out here be pretending  
Tell dotty to get him we making a movie my nigga it's virally trending  
My name got mentioned by a old nigga that don't need no attention  
Nigga I'm a starting killing nigga you know my body mr drop a body by benche  
s  
I dare niggas call me a pussy, if you bout that life then come make a movie  
Niggas ain't ride for they members but thy wanna ride in a suvi  
Make it hot in December for niggas acting bad like they on tubi  
Get em shot by a crackhead, purple get em, come take a loosie  
When I was on top, I seen a nigga do bad he was a goofy  
I seen a crip nigga drop his flag next day he had a coofie  
Bush Kirk Fields Lennon that's the blocks we bending  
He got put on a pendant  
2011 they sparked the war, but 2012 he ended  
I got married to the streets, but I ain't have no wedding  
They mad I do what I want pill tweak get put in a blunt  
I'm on go I ain't pulling no stunts  
We outside we gon meet him in the front  
How many fools got touched  
I could put numerous names on the list  
But I'm hoping the feds don't come  
You could call it a baby I don't even wanna shoot him I just wanna fight  
You gon run up on who, tie that boy up and send him home back in the truck  
It's not that easy I got eyes in the back of my head cartiers in the front  
As long as speedy just show me the figgy that boy gon be dead in a month  
I'm on top of shit, once he drop get on top of him  
Dead opps, it's a lot of them  
I'm tryna kill whoever sponsor them  
Don't tweak you know the consequence  
Leap if you feeling confident  
Not the ones to have a problem with  
Better wait you bet not start again  
That's on bro my moms and pops and them
