

# Crazy About You

Roxette

**D A G A**

Oooooooooooooooooo...

**D A**

I'm crazy about you  
(I'll give you all my love)

**G A**

Yes, I'm crazy about you  
(Night and day, day and night  
I'll be your heart's salvation)

**D**

Hey baby, let's stay together,

**A**

Let's make it now and forever,

**G**

I want to show it and shout it

**A**

And tell the whole world about it.

I thought it never could happen,  
I thought you never would see me.  
You run a lovin' locomotive,  
You make my needs very primitive.

**F**

**G**

The more I get, the more I want from you, of your affection.

**F**

**G**

When you're around, I'm in control, I feel a complete connection.

**Emi A G**

R1: Hello, hello,

**D A G**

I'm so crazy about you, you know... baby.

**Emi D C**

Hello, hello, hello,

**G F C**

Yes, I'm crazy, so crazy about you.

C'mon, close your eyes, honey, trust me!  
I want to enjoy your body,  
I want to take you much higher  
And play the game of desire.

Well I can't hide,  
I'm getting hungry for a bite.  
I'm blinded by this obsession,  
I keep dancing like your possession.

I'll wrap my legs all around you, I'll show you total devotion.  
No need to talk, Love will speak to you with sweet emotions.

R1: Hello, hello...
