1. Baby, sometimes I feel like dying  
**G** **A** **B**  
Driving while I'm closing my eyes  
**B** **A** **G**  
Moving in and out of hiding  
**G** **A** **B**  
Trying to catch some truth in my life  
**E** **D** **C**  
watching your stars and your moonlight  
**E** **D** **C**  
come tumbling down from the sky...  
Take it now.

**G** **C**  
R: I'm gonna run to you  
**E** **D**  
I'm gonna come to you  
**G** **C**  
I wanna find you  
**G** **D**  
In everything that I do  
**G** **C**  
I'm gonna run to you  
**E** **D**  
I'm gonna count on you  
**G** **C**  
I'm gonna follow  
**G** **D** **B**  
Baby what else can I do?

2. Sunday morning my town is sleeping,  
lying all alone in my bed.  
There's not a sound, I can't help but listening,  
wishing I was somewhere else instead  
but sometimes they're too hard to handle,  
those voices inside my head...  
Listen now.
