

Things Will Never Be The Same

Roxette

Bmi

1. Lay it down, pull my heart to the ground,
F#mi **Bmi** **G** **Bmi** **A**
time's getting cold now the leaves all turn hard and blue.

Bmi **F#mi** **Bmi**
And I know when I gaze to the sun, no place to hide, I got
G **D** **A** **E**
no where to run from you, away from you.

Emi **D**
*: Hold me now, girl, I don't know when,
C **G**
when we will ever meet again.
Emi **D**
That was then, baby, this is now,
C **Bmi**
I try to get over you

Emi **G** **D** **C**
R: Losing you... things will never be the same.
C **D** **Emi**
Can you hear me call your name?
G **D** **Ami**
If we changed it back again.
C **D** **Bmi**
Things would never be... in you hand

Bmi
2. Oh babe, I don't understand,
F#mi **Bmi**
you've got the eyes of a child
G **D** **A** **E**
but you hurt like a man always do, always do

*: Touch me now, girl, I don't know when,
when we will ever meet again.
That was then, baby, this is now,
time won't get over you.

R: Losing you...
...
Things would never be... the same
