1. I've been up all night, you've been putting up a fight. Emi Seems like nothing I say gets through. Emi С How did this bed fit a world between me and you. We said goodnight, but the silence was so thick Emi you could cut it with a knife. Emi We've hit a wall again and there's nothing I can do. F You're the one, yea, I've put all my trust in your hands. B F С C'mon look in my eyes, here I am here I am B C R: You don't understand me my baby F C В You don't seem to know that I need you so much В You don't understand me, my feelings The reason I'm breathing my love 2. The mornin' comes and you're reaching out for me just like everything's the same and I let myself believe things are gonna change. When you kiss my mouth and you hold my body close, do you wonder who's inside? Maybe there's no way we could feel each other's pain.

Tell me why it gets harder to know where I stand. I guess loneliness found a new friend, here I am

R: You don't understand me my baby...
