

# Ain't Got Time

Roy Ayers

Listen

We ain't got time to be tired  
We got a long, long way to go  
That's right  
A long, long, long way to go

We ain't got time to be tired  
'Cause the tired move too slow  
They move too slow  
We ain't got time to be tired  
There's a fight that must be won  
It must be won  
You know something  
You ain't got time to be tired  
'Cause the war has just begun  
That's right, the war has just begun  
Now listen, I say the war  
The war has just begun  
You say "What war?"  
The war for freedom  
For freedom and equality  
That's right, I s... I say the war has just begun  
"What war?"  
The war for freedom!  
That's right  
Freedom  
Oh yes, the war, the war, the war, the war for freedom  
You know we ain't got time to be tired  
We got a long, long way to go  
We ain't got time to be tired 'cause the tired move too slow  
Yes, the war, the war for freedom and equality  
The war has just begun

Listen to me

We ain't got time to be tired  
Got a long, long way to go  
We ain't got time to be tired
