

# Boogie Down

Roy Ayers

Boogie down, to the sound  
Feel the beat, what a treat  
I've got a notion, that you're a magic potion  
Pull yourself on me, help me to be free

I've got a notion, that you're a magic potion  
Pull yourself on me, help me to be free, yeah yeah  
(I've got a notion, that you're a magic potion)  
(Pull yourself on me) Heey, ooh, you

Comin' at ya, sworn to get ya  
Gonna groove you, ooh, gonna move you  
For days I've been searchin', for leadin' me  
You were there, all the time, in the palm of my hand

Boogie down, to the sound  
Feel the beat, ooh, what a treat  
I've got a notion, your magic potion  
Pull yourself on me, help me to be free

Want you to  
Pull yourself on me  
(Pull yourself on me) Ooh, ah, yeah  
Want you to  
Pull yourself on me  
(Pull yourself on me) Ooh, yeah, yeah

Feels so good  
Feels so good  
Feels so good, ooh  
Feel (Boogie down)

(Boogie down) Makes me wanna  
(Boogie down) Makes me wanna  
(Boogie down) Can I say it  
(Boogie down) Can I say it, baby, haah  
(Boogie down) Ooh, ooh ah  
(Boogie down) Hey babe, hey

Comin' at ya, sworn to get ya (Boogie down)  
Gonna move ya, ooh, then gonna groove ya (Boogie down)  
Pull yourself on me (Boogie down)  
Help me to be free, yeah (Boogie down)  
(Boogie down)  
Pull yourself on me (Boogie down)  
Ooh (Boogie down)  
(Boogie down)

Wanna move, gotta groove (Boogie down)  
Boogie down, to the sound, yeah  
(I've got a notion, that you're a magic potion)  
(Pull yourself on me)

I've gotta notion (Boogie down)  
Your magic potion  
Pull yourself on me (Boogie down)  
I've gotta notion (Boogie down)

Your magic potion  
Pull yourself on me (Boogie down)

Can I say it, babe (Boogie down)  
Can I say it, baby, yeah (Boogie down)  
Said I wanna throw it down (Boogie down)  
Got to get down (Boogie down)  
Ooh (Boogie down)  
Hey baby, hey baby (Boogie down)  
Ooh, you (Boogie down)  
Say, baby (Boogie down)  
Hey yeah yeah, ooh

(Boogie down)  
(Boogie down)  
(Boogie down)  
(Boogie down)  
(Boogie down)

(Boogie down)  
(Boogie down) Boogie down, I wanna boogie down  
(Boogie down) Gotta boogie down  
(Boogie down) Yeah, ooh  
(Boogie down) You, ooh, ooh, ooh  
(Boogie down) Ooh hah

(Boogie down) Pull yourself on me, pull yourself on me  
(Boogie down)
