

Brand New Feeling

Roy Ayers

I just had a brand new feeling, yes I did
Came about me in the night
Think it's love I feel inside, baby
My emotions I just can't hide, yeah
Now that I possess that feeling, yeah
Uhn, please don't let me
I mean now don't let it go away, no no
And baby, I love you
Baby
I love, baby
I love, you, and baby
And baby
I love you

I just had a brand new feeling
Came about me in the night
Think it's love, think it's love I feel inside me, yeah
My emotions I can not, not not not hide no more
Now that I possess that feeling, yeah yeah yeah
Please, please, baby I love you
Baby, I love you, yeah
I love you

I just had a brand new feeling, yeah I did
Ahh, I tell ya, it came about me in the night
Think it's love I feel inside
Oh, my emotions I refuse to hide
Now that I possess that feeling
Please, please don't let it go away, no baby
Please, please don't let it go away, baby
Please, don't let it go away, I love you
Oh baby
I love you
I love you, baby
Show love, care about ya, honey
I do

I just had a brand new feeling
Came about me in the night
Think it's, love I feel inside, baby
My emotions I can not hide, no more, no more
Now that I possess that feeling
Please, please, please don't let it go away, no
Baby, I love you
Baby, I love you
Love, love you ouh ouh ouh ouh oh hah hah yeah
Ooh, ooh ooh ooh ooh-oh ooh ooh-oh

And baby, I love you
