

Come Out And Play

Roy Ayers

All your thoughts inside your mind
Wanting to be free

Come out and play
Come out and play
Come out and play
Come out and play

Wishin' to free, your mind this day
Wishin' to free, your mind this day
Plant the seeds, inside your mind
To lead you to know, the meaning of my rhyme

(Come out and play) All your thoughts inside your mind
(Come out and play) Wanting to be free
(Come out and play) Now you've got the chance
(Come out and play) Let your mind grow and be free
(Wishin' to free) The music is just tryin' to say
(Come out and stay) Leading us to free your mind
(Wishin' to free) And if you let your mind be free
(Come out and stay) Then you can understand mine

Plant the seeds, inside your mind
To lead you to know, the meaning of my rhyme

All your thoughts inside your mind
Wanting to be free
Now you've got the chance
To let your mind grow and be free
The music is just tryin' to say
Leading us to free your mind
And if you let your mind be free
Then you can understand mine

No need to be afraid of me
I want to be your friend
Just tryin' to give you music
From deep within

You oughta, come, come, come, come, come, come, come
Out the closet, and play
You oughta, come, come, come, come, come, come, come, come, come, come
Out the closet, and play

Come let your mind be free
Let your mind be free
Let your mind be free
Let your mind be free
Let your mind be free
