

Crack Attack

Roy Ayers

Think, think, think, think, think, think, think
I don't want no crack
Think, think, think, think
I don't want no crack
Think, think
I don't want no crack

Think, think about what you're doin'
The fun that you get might cost too much
(I don't want no crack)
Think, think about what you're doing
(Might give me a heart attack)
The fun that you get might cost too much
(Stay back from crack)

Don't have a crack attack, don't have a crack attack
Get the monkey off your back, don't have a crack attack
Don't have a crack attack, don't have a crack attack
Get the monkey off your back, don't have a crack attack

It's killing our nation
It's an evil sensation
Some people think it's fun
It's like playing with a loaded gun
They thought it was cool (Might give me a heart attack)
They brought it to the school
They didn't think about (Might give me a heart attack)
The golden rule
It's killing our nation
It's an evil sensation
They give it to your sister, your brother, too
(Might give me a heart attack)
Now crack is everywhere, don't let crack take you
(Might give me a heart attack)
Don't let crack take you (Get the monkey off your back)

Don't have a crack attack, don't have a crack attack
(Might give me a heart attack)
Don't have a crack attack, get the monkey off your back
(Leave the crack alone)
You better think
(I don't want no crack, might give me a heart attack)
Don't have a crack attack, don't have a crack attack
(I don't want no crack, might give me a heart attack)
Don't have, don't have, don't have, don't have, don't have
Don't have, don't have, don't have, don't have, don't

(I don't want no crack)

It's killing our nation (Might give me a heart attack)
It's an evil sensation
Some people think it's fun (Might give me a heart attack)
It's like playing with a loaded gun
They thought it was cool (Might give me a heart attack)
They brought it to the school
They didn't think about (Might give me a heart attack)
The golden rule

It's killing our nation (Might give me a heart attack)
It's an evil sensation
They give it to your sister, your brother, too
Now crack is everywhere, don't let crack take you

(I don't want no crack)
