

## D.C. City

Roy Ayers

D.C. City  
The time has come  
D.C. City  
For us to be one  
D.C. City  
One Home Rule  
D.C. City  
Living together in harmony  
D.C. City  
Listen to me, now listen to me, yeah, yeah  
D.C. City  
I got, I got something to tell you  
D.C. City  
Wasn't long ago I had a vision  
D.C. City  
Inside my mind, yeah  
D.C. City  
It was all about unity  
D.C. City  
People living together, yeah, yeah  
D.C. City  
People sharing together, yeah, yeah  
D.C. City  
Holding hands and living together

Summertime 'round the bend  
Winters rain coming in  
D.C. City listen here  
Music sounds out so clear, for you  
Da-da, da-da, da-da, da-da  
Da-da, da-da, da-da, da-da

D.C. City  
Thinking about all the people everywhere  
D.C. City  
All over the world, we gotta come together  
D.C. City  
To get education  
D.C. City  
To have some unity  
D.C. City  
Dealing with prosperity  
D.C. City  
We will  
We can  
We must  
We are  
D.C. City  
Together, people can't you see, we need each other  
D.C. City  
Each other, first  
D.C. City  
Look at yourself and see the truth  
D.C. City  
You know, you know  
D.C. City  
Chocolate City, wake up

D.C. City  
Chocolate City, wake up, yeah

We must be a family  
Living in harmony  
Musics' message loud and clear  
Peace of mind, oh so near  
For you  
Da-da, da-da, da-da, da-da  
Da-da, da-da, da-da, da-da

Summertime 'round the bend  
Winters rain coming in  
D.C. City listen here  
Music sounds out so clear, for you  
Da-da, da-da, da-da, da-da  
Da-da, da-da, da-da, da-da

We must be a family  
Living in harmony  
Musics' message loud and clear  
Peace of mind, oh so near  
For you  
Da-da, da-da, da-da, da-da  
Da-da, da-da, da-da, da-da
