

# Don't Hide Your Love

Roy Ayers

Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
If you can describe what you feel  
And it's love, then it must be real  
If you know you feel it inside  
Then there's no, no reason to hide  
When we love we feel it inside  
When we dance we feel it inside  
Let us love, and let us be true  
Without love there's no me nor you

Yes, I'm in love, yes it's love that I feel inside  
This love I cannot hide  
I can't hide my love  
I won't hide my love  
Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
Let us love, and let us be real  
Come on dance if you know the deal  
Don't you hide your feelings inside  
Let your heart and arms open wide  
When we love we feel it inside  
When we dance we feel it inside  
Now let's love, and let us be true  
Without love there's no me nor you

Yes, I'm in love, yes it's love that I feel inside (Love, love)  
This love I cannot hide (Love, love)  
(Love, love) I can't hide my love  
(Love, love) I won't hide my love  
Don't hide your love

Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
You love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
Your love, your love  
Don't hide your love  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
(Don't hide your love)  
Let us love, and let us be real  
Come on dance if you know the deal  
Don't you hide your feelings inside  
Let your love and arms open wide  
When we love we feel it inside (Love, love, love)  
When we dance we feel it inside (Love, love, love)

If you can describe what you feel  
(Don't hide your love, don't hide your love)  
And it's love, then it must be real  
(Don't hide your love, don't hide your love)  
If you know you feel it inside  
(Don't hide your love, don't hide your love)  
Then there's no, no reason to hide  
(Don't hide your love, don't hide your love)  
When we love we feel it inside  
(Don't hide your love, don't hide your love)  
When we dance we feel it inside  
(Don't hide your love, don't hide your love)  
Now let's love, and let us be true  
(Don't hide your love, don't hide your love)  
Without love there's no me nor you  
(Don't hide your love, don't hide your love)  
If you can describe what you feel  
(Don't hide your love, don't hide your love)  
And it's love
