Fire up the funk, let your mind be free  
Let your body move, as you dance with me  
Let your body move, as you dance with me  
(Fire it up)  
Don't forget to move, move it side to side (Side to side)

Then you'll get the groove, and you'll feel alive  
(Feel uh, feel, feel, feel so real)  
Then you'll get the groove, and you'll feel alive
