

# Fruit

Roy Ayers

I want fruit! Go let me a bite!  
I want fruit! Go let me a bite!

Fruit!  
Ooh-oo fruit!  
Ooh-oo fruit!  
Ooh-oo fruit!

I love your orange flavored kisses  
And your lovely lemon smile  
No one else on my list  
Cause your liquid love drives me wild

Fruit!  
Ooh-oo fruit!

Candy brown-eyed thang  
Watermelon dish  
Your sugar-coated heart  
Is what I wish

Candy brown-eyed thang  
Watermelon dish  
Your sugar-coated heart  
Is what I wish

Fruit!  
Ooh-oo fruit!  
Ooh-oo fruit!  
Ooh-oo fruit!

Banana-shaped face  
Chocolate-covered skin  
Honeydew-drop breasts

You're my apple  
And I'm the bowl of figs  
I love your orange-flavored kisses

You're my apple  
And I'm the bowl of figs  
I love your orange-flavored kisses

Come on and be my friend

Extend your love to me (Fruit!)  
And lemme take a bite (Fruit!)  
Come on come on come on

Extend your love to me  
And lemme take a bite (Fruit!)
