

Funky Motion

Roy Ayers

She's got funky motion
She's got a row like a ship on the ocean
She's got something that's good for me
Oh, won't you give me something good, babe

And I've got funky motion
I come on strong like a locomotion
And I've got something that's good for her
I wanna give her something good

I got funky motion! Yeah-yeah-yeah-yeah! (That's what I've got)
I got funky motion! Ah-hah-ah-ah
She's got funky motion! (Ooh-ooh-ooh)
That's what you've got, she's got funky motion!

And she's got funky motion, yeah
She gotta [?] like a locomotion
She's got something that's good for me
Oh, won't you give me something good, babe

And I've got funky motion myself
I come on strong like a locomotion
And I've got something that's good for her
I wanna give her something good

I got funky motion! Yeah-yeah-yeah-yeah! (That's what I've got)
I got funky motion! Ah-hah-eh-yeah
She's got funky motion, baby! (Ooh-ooh-ooh)
That's what you've got, she's got funky motion!

Hey! Funky motion! (That's what I've got)
Hey! Funky motion!
Hey! Funky motion! (That's what you've got)
Hey! Funky motion!
Hey! Funky motion!
Hey! Funky motion! (That's what you've got)
Hey! Funky motion!
Hey! Funky motion! (That's what she's got)
Hey! Funky motion!
Hey! Funky motion! (That's what you've got)
