

# Get On Up Get On Down

Roy Ayers

Get on up, get on down  
Get on up, get on down  
Get on up, get on down  
Get on up, get on down

Let's dance, let's dance  
Move your feet, to the beat  
Stretch yourself, you're tough enough  
Come on, let's dance  
I wanna, I wanna  
I wanna dance with you all night  
I wanna squeeze and hold you tight  
Let's make tonight, our night

(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down

Let's dance, let's dance  
Feel your body movin'  
Every soul is groovin'  
Funk up to your knees  
Everybody dance, dance  
I wanna dance with you all night  
I wanna squeeze and hold you tight  
Let's make tonight, our night

(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down

(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body  
(Get on up, get on down) Get on down, get on down

Get on up, and let's dance y'all  
Get on down, and let's dance  
Get on up, and let's dance y'all  
Get on down, and let's dance  
Get on up, and let's dance y'all  
Get on down, and let's dance  
Get on up, and let's dance y'all  
Get on down, and let's dance

Get on up, and let's dance y'all  
Get on down, and let's dance

Get on up, and let's dance y'all  
Get on down, and let's dance  
Get on up, and let's dance y'all  
Get on down  
Move your body  
(Get on up, get on down) Get on down, get on down  
(Get on up, get on down) Move your body

Let's dance, let's dance  
Move your feet, to the beat  
Stretch yourself, you're tough enough  
Come on, let's dance
