Higher

Roy Ayers

Higher higher, everybody's higher
Must be, spirit deep inside ya
Higher higher, everybody's higher
Must be, spirit deep inside ya
My desire, take ya higher
Music got that lovin' on the fire

Higher, higher, higher
Higher, higher, higher
Higher, higher, higher
Higher, higher, higher

Higher, higher, higher
Higher, higher, higher
Higher, higher, higher
Higher, higher, higher

Higher higher, everybody's higher
Must be, spirit deep inside ya
Higher higher, everybody's higher
Must be, spirit deep inside ya
My desire, take ya higher
Music got that lovin' on the fire
Higher higher, everybody's higher
Must be, spirit deep inside ya

Higher, higher, higher
Higher, higher, higher
Higher, higher, higher
Higher, higher, higher

Higher, higher, higher
Higher, higher, higher
Higher, higher, higher
Higher, higher, higher

Come on lose your mind
Higher
Come on lose your mind
Higher, take yourselves higher, higher, higher
Come on lose your mind

Higher, take yourselves higher, higher
Come on lose your mind

Higher, take yourselves higher, higher, higher, higher

Higher, take yourselves higher, higher, higher, higher
Higher, take yourselves higher, higher, higher, higher
Higher, higher
Higher, take yourselves higher, higher, higher, higher
