

I Can't Help It

Roy Ayers

Is it love, or is it fascination?
I just feel we have a situation
So in love, you are my inspiration
Now it's this, there's no communication

I can't help it, baby I can't help it, baby
I can't help the way I feel, I love you so
I can't help it, ooh, ooh, no no no
'Cause I know my love is real, my love is real

You said you love me
You said you stand by my side
You said you love me
You said you'd always abide

I can't help it, no, I can't help myself baby
I can't help the way I feel, I love you so
I can't help it, I can't help myself, ooh, I love you
'Cause I know my love is real, I know my love is real, I know my love
is real
I can't help it, ooh, I can't help it baby
I can't help the way I feel, the way I feel

I love you, I love you
I love you
I really, really love you
Can't you see, how I feel?
Won't you share?
I place no one above you

I love you, I love you
I love you
I really, really love you
Was it real, do you feel?
Do you care?

I can't help it
I can't help the way I feel
I can't help it
'Cause I know my love is real

I can't help it
I can't help the way I feel
I can't help it
'Cause I know my love is real

I can't help it
I can't help the way I feel
