

I Really Wanna Be With You

Roy Ayers

Don't you understand I really wanna be with you, girl?
You are my bebop
You make my hippity hop
You are my ding dang girl
You make my thing thang
I really wanna be with you (I really wanna be with you)
Haha, I really, really believe it
Now listen

You are my fiddle faddle
You make my wiggle wag
You are my wig-wag
Don't you give me that zig-zag
I really wanna be with you (I really wanna be with you)
Haha, haha
You are my tingle tangle
Girl, you make my dingle dangle
You are my kung-fu
Girl, you make my dippity doo
I really wanna be (I really wanna be with you) with you, hahahaha

Ooh, baby, you said that you love me, too
Oh, no, I don't know what I'm gonna do
You make me feel so good when you're around
And I don't need to ever put you down
You make me feel so right, so warm, so free
Don't you know what your loving does to me?
Just hold me tight and you will feel the vibe
Come closer, dear, I want you by my side

Huh, you are my tingle-tangle
You make my dingle dangle
You are my kung-fu
I just want your dippity doo
You make my sing song
Girl, give me my short long
You make my Motorola
Give up the Coca-Cola
You make my hopscotch
Girl, I think you're top notch
You are the real deal
Come on, get in my Coupe de Ville
You make the day break
Baby, it's a love quake

Ooh, baby, you said that you love me, too
Oh, no, I don't know what I'm gonna do
You make me feel so good when you're around
And I don't need to ever put you down
You make me feel so right, so warm, so free
Don't you know what your loving does to me?
Just hold me tight and you will feel the vibe
Come closer, dear, I want you by my side

You are my wig-wag
Don't be no zig-zag
Give me my ding dong

I'm not King Kong
You make my sing song
That keeps my short long
You are my Motorola
Give up the Coca-Cola
You are my hopscotch
That makes you top notch
You make my greed bleed
That makes my seed speed
I like your sing song
That keeps my short long
You are bing bang
How 'bout your thing thang?
How 'bout our fiddle faddle
That'll keep our wiggle waggle
I want your wig-wag
Give, give up the zig-zag

Word, word, word

You are my bebop
That makes my hippity hop (I really wanna be with you)
Come be my bing bang
Then we'll have a thing thang, ha
I really, I really do (I really wanna be with you)
I reall wanna be, I wanna be with you
You are my ding dong
Babe, don't be no King Kong (I really wanna be with you)
You make my sink sank
I'd like to think thank
Girl, ah, ah (I really wanna be with you)
I really wanna be with you, hahahahaha
