

# If You Love Me

Roy Ayers

Ooh, ooh...

If you kiss me, oh, I swear you'll miss me  
If you kiss me, oh, I swear you'll miss me

Ooh, ooh...

If you love me, oh, you'll make me feel so free  
Just keep me happy, oh, and I'll be all yours

Ooh, ooh, ooh, ooh...

If you love me, oh, if you love me  
Kiss me, kiss me, love me, love me  
Love me, kiss me now, now...

If you kiss me, I swear you'll miss me  
If you love me, you'll make me feel so good  
If you kiss me, I swear you'll miss me, yeah yeah  
If you love me, you'll make me feel so free  
Ooh, like...  
Gonna play the vibes
