

It Ain't Your Sign It's Your Mind

Roy Ayers

It ain't your sign, it's your mind
It ain't your sign, it's your mind
It ain't your sign, it's your mind
It ain't your sign, it's your mind

What you say, baby?
I'm gettin' down, around the town
Tryin' to find, a solid mind

Can I say, baby?
Come stay with me, and plant the seed
And I'll be free, oh yes indeed

Inside your mind
There's prosperity
Inside your mind
Ooh, don't you wanna be free
Inside your mind
It's just you and me
Inside your sign
There's a beautiful mind

It ain't your sign, it's your mind (Huh, huh)
It ain't your sign, it's your mind (Huh, huh)
It ain't your sign, it's your mind (Huh, huh)
It ain't your sign, it's your mind (Huh, huh)

It ain't your sign, it's your mind (Huh, huh)
It ain't your sign, it's your mind (Huh, huh)
It ain't your sign, it's your mind (Huh, huh)
It ain't your sign, it's your mind (Huh, huh)
