

# Keep On Walking

Roy Ayers

I've gotta keep walking  
To someone I love  
This empty house in jeopardy  
Living with out you

It seems I keep falling  
For someone somewhere  
One single house of someone real  
Keeps me hanging on

Now I really don't mind that it's been so long  
That somewhere in this world you exist  
And it really won't seem like it's been so sad  
Just as long as I know I've been missed

And time is on our side  
'Cause somehow I know you're there

We've been talking  
Bout someone like you  
I love you  
In my loneliness  
And it keeps me walking on

Hey hey baby  
I love you, I need you  
Keep on walking (Ooh, I'll keep on walking)

I gotta keep walking  
To someone I love  
My faith and your reality  
It keeps me hanging on  
(Oh woaah-ooaah)
