

Let Me Love You

Roy Ayers

Ooh, this is our night of love
Baby, it's our sound
The time is passing by, I know
I've waited much too long

The moon is high, the light is shining
Softly against your skin
I've wondered all, and now I wonder
Why you won't let me in

Let me love you baby (ooh)
Baby, won't you try
(Try, try baby)
(I wanna come here with you)
Let me love you baby (let me love you)
Baby, won't you try
(Baby try, try)
(Won't you try for me)

This is our life
Our love is more than just a game
I see it all so clear
But you don't do the same
Where the palm holds, I come to you
You turn me away

Let me love you
Baby, let me love you
(Baby, let me love you)

Let me love you baby (let me love you baby)
Baby, won't you try
(Try, try, try)
Let me love you baby (ooh)
Baby, won't you try
(Ooh girl, won't you try, try, try)
(Let me love you)

Let me love you baby
(Let me love you, let me love you)
Baby, won't you try
(Try, try, try, try)
(I know that you can do it)

Let me love you baby
(Let me love you, you, you)
Baby, won't you try
(Won't you try)
(Oh baby, won't you try)
(Ooh, I've given you all my love)

Let me love you
Love you, love you, love you

Let me love you, girl (ooh)
Baby, won't you try
(Won't you try, won't you try, oh)

Let me love you, baby (you can love me, boy)
(Oh, love me boy)
Baby, won't you try ('til the day I die, oh)

Let me love you, baby
(Let me love you, let me love you)
Baby, won't you try (oh yes I, oh yes I, oh-oh-oh yes I)
Let me love you, baby
(Let me love you, let me love you, let me love you)
Baby, won't you try (ooh)

Let me love you
Baby, let me love you

Let me love you
Baby, let me love you

Let me love you
Baby, let me love you
