

Let's Do It

Roy Ayers

I know I haven't had the time
But always had you on my mind, oh yes, I do
Before I start to explain, I want you to understand

What should I understand?
What should I understand?
What should I understand?
What should I understand?
I love you, I love you, love you
What should I understand?

Let's bend this space together
Let's go some place together, like we used to do
We've got the time to do all of the things we used to do

Do it, do it, baby
Do it, do it, do it, mama
Do it, do it, do it, let's do it, baby
Do it, do it, do it, do it, baby
Let's do it, let's do it, baby
Let's do it, let's do it, mama

Ooh baby, baby!
I wanna know if we gon' do it baby, 'cause
Ooh, I feel good right now, baby
Are we gonna do it, baby? Come on, talk to me now
(Let's do it, come on, let's love)
Oh baby, let's love tonight and get it on
Now come on, say it again
Come on, say it again, I said
Don't be running away from me
C'mon back here, baby, come here woman!
Tell me what you wanna do
(Let's do it, come on, let's love)
That's what I want you to say, baby
Say it like you mean it now
Can you say it in a soft voice?
(Let's do it, come on, let's love)
Oh baby, you've got me anytime you want me
Anyplace, anywhere
(Let's do it) yeah, baby! (Come on) come on!
(Let's love) let's love
(Let's do it) let's do it (Come on) come on
(Let's love) let's love, let's love, love love
(Let's do it) ooh, baby (Come on) come on
(Let's love) let's love

If love is here for you and I
Then why must all the time go by so quickly?
(I'll be loving you my dear always)
Let's bend this space together
Let's go someplace together, like we used to do
We've got the time to make it work, together
We've got the time to love now

If love is here for you and I
Then why must all the time go by so quickly?

We've got the time to love
(We've got the time, the time to love)
We've got the time to love
(We've got the time, the time to love)
We've got the time to love
(We've got the time, the time to love)
Ooh, we've got the time to love
(We've got the time, the time to love)

Let's do it, come on, let's love
Let's do it, come on, let's love
Let's do it, come on, let's love
Let's do it, come on, let's love
