

## Moving, Grooving

Roy Ayers

Like everybody, I'm just tryin' to move on  
'Cause in this world it seems so hard to do wrong  
It seems like people like to do the right thing  
And I just want to make a good enlisting

And I'll tell you people, you've got to be giving  
'Cause without giving, what's the need of living  
And I'll tell you people, you've got to keep moving

Live, when you wanna live  
Move, when you wanna move  
Groove, when you wanna groove  
Do, when you wanna do  
Say, what you wanna say  
Feel, what you wanna feel  
Love, who you wanna love  
I just a feel like, groovin', groovin', groovin'

I feel like groovin', I feel like groovin'  
I feel like groovin', I feel like groovin'  
I feel like groovin', I feel like groovin'

Like everybody, I'm just tryin' to move on  
'Cause in this world it seems so hard to do wrong  
It seems like people like to do the right thing  
And I just want to make a good enlisting

I just feel like groovin'  
I just feel like groovin'  
I just feel like groovin'  
I just feel like groovin'

I just feel like groovin'  
I just feel like groovin'  
I just feel like groovin'  
I just feel like groovin'
