

# Sanctified Feeling

Roy Ayers

I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling! (Yeah)  
I'm gonna come like a sanctified feeling! (Woo)

Sometime you... lose it as soon as you win it  
But somehow you only get what you deserve  
Don't get it when you want it, don't want it 'til you need it  
Cause somehow you only get what you deserve  
Don't get it when you want it, don't want it 'til you lose it  
Cause somehow you only reap what you sow  
Don't get it when you want it, not have it 'til you have it  
But someday you [?]

I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna,  
I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna,  
, I'm gonna, I'm gonna, I'm gonna come like a...  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!

You don't get it when you want it, don't want it 'til you need it  
Cause somehow you only get what you deserve  
Don't get it when you want it, don't want it 'til you lose it  
Cause somehow you know you reap what you sow  
Don't get it when you want it, not have it 'til you have it  
But someday you know you gonna [?]  
Oh, to have it when you need it, and never when you wanna find it  
But somehow you manage to survive

I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feel-yeah yeah yeah yeah...!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
I'm gonna come like a sanctified feeling!  
Ooh!

Don't get it when you want it, you don't have it 'til you need it  
Cause somehow you only get what you deserve  
You don't get it when you want it, don't want it 'til you lose it  
Cause somehow you only reap what you sow  
Don't get it when you want it, not have it 'til you have it  
But someday you know you gonna [?]  
Oh, to have it when you need it, and never when you wanna find it  
But somehow you manage to survive

I'm gonna come like a sanctified feeling!
