

# Shining Symbol

Roy Ayers

Its not the end  
Its the beginning

The laws around you  
The court tries you  
The jail engulfs you  
But  
Its not the end  
Its the beginning  
Whoa ooh  
Darkness conceals your [?] soul

Revenge is a virtue  
You stood up like you should  
Standing up strong  
Like we all wish we could

You're a shining symbol  
A shining symbol  
A shining symbol  
Of black pride

You're a new breed  
A future seed  
A new breed  
A future seed  
Of black pride, yeah

You're a shining symbol  
A shining symbol  
A shining symbol  
Of black pride

You're a new breed  
A future seed  
A new breed  
A future seed  
Of black pride, yeah
