

## Sigh (Feel The Vibration)

Roy Ayers

Dada, sigh, dada, dada, and feel the vibration  
Dada, sigh, dada, dada, a good sensation  
Dada, sigh, dada, dada, and feel the vibration  
Dada, sigh, dada, dada, a new sensation  
Dada, sigh, dada, dada, and feel the vibration  
Dada, sigh, dada, dada, a good sensation

We said we would, we said we would, we said we would  
I knew it wasn't true  
You came, you said you loved me  
I sighed, I didn't, I didn't wanna do it  
You made me (You made me, baby) hold you in my arms (I love you)  
I didn't know you felt so good  
Ah, you make me sigh, baby  
You felt so good, you felt so good  
You felt so good  
You feel so good

Dada, sigh, dada, and feel the vibration  
Dada sigh, dada, a new sensation  
Dada, sigh, dada, we'll feel the vibration  
Dada, sigh, dada, a new sensation  
Dada, sigh, dada, and feel the vibration  
Dada, sigh, dada, a new sensation

I sighed, you make me sigh, we sighed, we sighed together  
Why, sigh (You know why)  
Now, you say, you say you love me, you love me  
I know you love me  
I know, I know, I know you love me  
I tried to give myself, ooh  
I tried to give you me (Ah, all my vibrations, ooh, ooh, ooh)

Dada, sigh, dada, and feel the vibration  
Dada, sigh, dada, you know why, you know why  
Dada, dada, you feel a new sensation  
Dada, a positive vibration, dada, you know why  
Dada, you sigh, dada

Now you love me all your life (And I love you)  
Make me always come home  
Ooh-hoo, come home to you (Come home to you)  
Makes me feel good inside, inside, inside, inside, inside  
You keep me warm, I'll hold you in my arms  
Always (Always), forever (Forever and ever and ever), forever  
(Forever and ever)

Dada, sigh, dada, and feel the vibration  
Dada, dada, sigh  
Dada, dada, and feel the vibration  
Dada, sigh, dada  
Dada, sigh, dada

Opportune times go by  
I heard goodbye, I sigh, ah  
But no matter what happens  
Ah, ah, ah, sigh, and feel the vibration

Sigh, sigh, and feel the vibration  
Sigh, sigh, and feel the vibration  
Sigh, sigh, and feel the vibration  
Sigh, sigh, and feel the vibration  
Sigh, sigh, and feel the vibration  
Sigh, sigh, and feel the vibration  
Sigh, sigh, and feel the vibration
