Sugar, sugar  
Don't you call me sugar, sugar  
Lover, lover  
Don't you call me lover, lover  
Sweet thing, sweet thing  
Don't you call me sweet thing, sweet thing  
Baby, baby  
Don't you call me baby, baby

I just want to be your man  
Why can't you just understand?  
Everytime you go away  
Always here I have to stay  
I need you, so please stay near  
'Cause it's you I love so dear  
Anything you say or do  
'Cause you know I'll see you through  
Sugar, sugar (sugar)  
Sugar

Sugar, sugar  
I just want you near me  
Baby, baby  
I don't think you hear me  
Baby, baby  
Yes, you are my sweet thing  
Lover, lover  
I just want you, sweet thing

I just want to be your man  
Why can't you just understand?  
Everytime you go away  
Always here I have to stay  
I need you, so please stay near  
'Cause it's you I love so dear  
Anything you say or do  
'Cause you know I'll see you through  
Sugar, sugar (sugar)
