

Sunshine

Roy Ayers

Just bees and things and flowers
Just bees and things and flowers

My life, my life, my life, my life
In the sunshine, yeah, yeah
Everybody loves the sunshine, ooh
Sunshine, yeah
Everybody loves the sunshine, they really love the sunshine

Sunshine, oh folks, get down
Folks get down in the sunshine, they really do, yeah yeah, yeah, yeah
Sunshine, folks get brown, ooh
Folks get brown in the sunshine, yeah, yeah
Sunshine, folks get down
Folks get down in the sunshine, yeah, yeah, yeah, yeah

Just bees and things and flowers
Just bees and things and flowers, oh
Just bees and things and flowers, you need 'em the same
Just bees and things and flowers
Bees and things and flowers, yeah, yeah, yeah, yeah
Ooh yeah, uh yeah

My life in the sunshine
Everybody loves the sunshine, they really do, you know they do
Sunshine, everybody loves the sunshine
Everybody loves the sunshine

In the sunshine, so warm and tender
Makes your body so wet, you must surrender
Sunshine, I got to make you mine
Say you will stay, and never go away

Yeah
I really love
I really, I really, I really love
I really, really, really
I really love the sunshine, yes, I do, yeah, yeah
I really love the sunshine, yes, I do, yeah

Feel what I feel, when I feel, what I feel
When I'm feelin', in the sunshine
I wanna do it again, and say it again, and feel it again
Do what I do, when I do, what I do
When I'm doin', in what? In the sunshine
I wanna say it again, and feel it again, and do it again

Say what I say, when I say, what I say
When I'm sayin', in the what? In the sunshine
I wanna love it again, and love it again, and love it again
Love who I love, when I love, who I love
When I'm lovin', ooh, in the sunshine
In the what? Hey, hey

What'cha say?
Where you goin', how you doin'?
How you feelin', can't predict
Of your life, live and love the sunshine, sunshine
Everybody loves the sunshine, yeah, yeah, ooh, ooh, ooh
Everybody loves the sunshine, yes, they do
