

Together Forever

Roy Ayers

So it turned out just the way we planned it
Now we are together
Now and forever
So, be happy
Just the way you should be
Like I knew it would be
Darling always love me

I'm with you, dear
Please just love me tender
I'll always surrender
Everything I have
Yes, I love you
I'll always be so true
Please don't make my heart rue
Love you, I love you

(Together forever, baby) Together
(Together forever, we're together forever) Forever, oohhaah yeah
(Together forever, just the way we planned it) Together
(Together forever, it's just the way we planned it, and now) Forever

(Together forever, we're together, forever) Together, yeah
(Together forever, always, just by, loving you, together forever) Forever, and ever, yeah
(Together forever, I love you) Together, forever
(Together forever, I'll always be true, just love me tender) And ever

Here we go (Here we go)
With our love (With our love)
Blessed by thee (Blessed)
From above (From above)
Now I feel (I feel so real)
Feel so real (I'm with you)
I'm with you (This love is true)
Love is true (Here we go)

Here we go (With our love)
With our love (Blessed by thee)
Blessed by thee (From above)
From above (Now I feel)
Now I feel (I feel so real)
Feel so real (I'm with you)
I'm with you (Love is true)
Love is true (Here, here we go)

Here we go (With our love)
With our love (Blessed by thee)
Blessed by thee (From above)
From above (Now, I feel, I feel)
Now I feel (Feel so real, so real)
Feel so real (I'm with you)
I'm with you (Love is true)
Love is true (Oh, here we go)

Here we go (Here we go with our love)
With our love (Blessed, blessed by thee)

Blessed by thee (From above)

From above (Now, now I feel, together forever)
