(Clean) History don't mean a clean mind  
All mine  
History don't mean a clean mind  
Alright

History don't mean a clean mind  
All mine  
History don't mean a clean mind  
Alright

Invincible teens  
Riding around (round)  
Everyone's living the dream  
We will never be down (never down, yeah)  
Take it from me  
Not for myself (ooh, hoo)  
And I don't know what I'm doing  
But I'm losing the sound

We don't give a fuck, we don't give a shit  
We don't give a damn, we just some kids  
Living a lie, nor living alive  
Fuck with incentive and give it a try  
Do not ask why  
Why's not the question, the quest is inside  
Text my text message and check for replies  
And I'll check till I die

I'm unphotogenic as fuck  
So don't snap any pics when I talk  
And I think about what others think when I walk  
Know a lot of other people want my spot  
But I won't stop, no, not for a second  
And they will never get no mentions  
So for the ones that don't pay attention  
Your pages gon' need to be requested

(Clean) History don't mean a clean mind  
All mine  
History don't mean a clean mind  
Alright

History don't mean a clean mind  
All mine  
History don't mean a clean mind  
Alright

Please tell me nothing  
At all, at all, at all  
Please tell me nothing  
At all (clean, clean, clean)  
Please tell me nothing (nothing means nothing)  
At all, at all, at all (doesn't mean something, no it don't)  
Please tell me nothing (nothing means nothing)  
At all, at all, at all (doesn't mean something, no it don't)
