

Interview (Friends)

Roy Blair

You guys feel like- in like five years from now you'll look back on living there as like- positive thing, right? Or you guys will be like "I hated it"?

Nah it'll be like the salad days.

Yeah, I would love it. Yeah.

I think about that when I pass by your old apartment and how you were always like "I loved it there" but I know you had like shitty-ass times, like the worst times there. Same thing with Belmont- I think I'll always have kind of a disdain for Belmont though because like that was some of the worst moments of my life like I had like my- like worst times mentally- (darkest) yeah, my like darkest mental moments there-
