I heard the front door closing softly as I weaken from my sleep With the last touch of her lips Lord like a whisper on my cheek \mbox{And} I cursed the sun for rising for the worst Lord is yet to co me

Cause this morning she's just leaving but come sundown she'll be gone

See the lipstick on the pillow that I placed beneath her head And the soft sheets still feel warm Lord where she lay upon my bed

And it hurts to know it's over for the hurt Lord had just begun Cause this morning she's just leaving but come sundown she'll be gone
