

## Second Hand Rose (Second Hand Heart)

Roy Drusky

Second hand shoes second hand clothes they all call her second  
hand rose  
They all think they're pretty smart but rose don't have a second  
hand heart

I love a little girl who lives across the way I go to see her n  
early every day  
But when I get the money I'll take her far away  
so the town can't gather around her and sayric  
Second hand shoes...

They tease her about her clothes and things  
It's hard to believe some folks can be so mean  
But when I get the money I'll buy her the best I'll take rose y  
ou can have all the rest  
Second hand shoes...
