

# Casualty

**Roy Harper**

Twenty years of rock and roll  
Up and down the greasy poll  
In and out some pigeon hole  
I'm a casualty  
Twenty years of dodging cops  
In and out of stocking tops  
Dropping keks and lifting shops  
I'm a casualty - baby  
Twenty years out of control  
Drinking tadpoles from the bowl  
Soon I'll be back on the dole  
I'm a casualty
