

## Death Or Glory?

Roy Harper

Death or glory?  
Baby you and me  
No warning, no mercy  
Off with his head  
She said, said she  
Death or glory?  
All the bliss, all the memory  
You threw us out the window  
Not even one last kiss  
One last kiss  
Stick on the ice  
Fast forward, out of town  
Drunk me dry, threw me away  
Strength is down  
Like one that on a lonesome road  
Doth walk in fear and dread  
Having once turned 'round walks on  
And turns no more his head  
For he knows that close behind  
A fearful fiend doth tread  
Death or glory?  
Baby, you and me  
Let's get into battle  
Win us both a V.C.  
There's nothing left here, we can lose  
Everything to win  
We lived in heaven hearts and minds  
We can make it back again  
Our strength, strength will be then  
Death or glory?  
Baby, down to you  
Death or glory?  
Baby, up to me  
Get stick on the ice  
Fast forward out of town  
Drunk me dry, threw me away  
My strength was gone  
We lived in heaven  
Hearts and minds  
We can make it there again  
Baby, yeah, yeah, yeah  
Our strength will be then
