

Daughters

Roy Kim

I know a girl
She puts the color inside of my world
She's just like a maze
All of the walls are continually changed
Well I've done all I can
To stand on the steps with my heart in my hands
Now I'm starting to see
Maybe it's got nothing at all to do with me

So fathers be good to your daughters
Daughters will love like you do
Girls become lovers who turn into mothers
So mothers be good to your daughters too

Oh, you'd see that skin
It's the same she's been standin' in
Since the day you saw her walkin' away
Now she's left cleanin' up the mess you made

So, fathers be good to your daughters
Daughters will love like you do
Girls become lovers who turn into mothers
So, mothers be good to your daughters too

Fathers be good to your daughters
Daughters will love like you do
Girls become lovers who turn into mother
So, mothers be good to your daughters too
